

Business Manager's Report – May 12, 2026

Needing Board Approval:

- Sole Source - PWTech
- Contract Approval
 - Phosphoric Acid 75%

Board Information:

- HR and Board Policy Audit (Internal)

Every reasonable effort has been made to ensure that all business items are included on the agenda at least 24 hours prior to scheduled Board meetings. However, as this is an active, real-time operating facility, situations may arise that require timely consideration and cannot reasonably be deferred until the next scheduled meeting.

BINGHAMTON-JOHNSON CITY JOINT SEWAGE BOARD

RESOLUTION DETERMINING A SOLE SOURCE FOR VOLUTE SOLID TREATMENT PROCESS

MOTION BY: _____

SECONDED BY: _____

WHEREAS, the Binghamton-Johnson City Joint Sewage Treatment Plant is in need of repair parts for its Volute brand solid treatment process; and

WHEREAS, the Business Manager has advised the Board that, to the best of his knowledge, following research on the issue, Process Wastewater Technologies LLC (PWTech), 9004 Yellow Brick Road, Suite D, Rosedale, Md 21237 is the sole source of repair parts for Volute technology in the United States, and there is no competing source thereof; and

WHEREAS, the Business Manager has received correspondence from PWTech, the manufacturer and supplier of Volute Technology for the Unites States market, and is the sole source of Volute parts and supplies; and

WHEREAS, the Business Manager further advises that the alternative to acquiring the goods from PWTech. would be to stock multiple additional rotary lobe or alternative concept pumps that may need engineering redesign and mechanical alterations to the peripheral connections, and that the cost of that alternative is substantially greater than acquiring the required goods from PWTech.; and

WHEREAS, based upon these representations, the Board has concluded that the repairs parts for Volute technology, proposed to be acquired from Process Wastewater Technologies LLC, have unique benefits and that no other product or service can compare; now, therefore, be it

RESOLVED that, in accordance with both General Municipal Law Section 103 and the Board's Procurement Policy, Process Wastewater Technologies LLC. is the sole source of repairs parts for Volute technology; and be it further

RESOLVED that, upon approval of the Plant Superintendent and/or the Board, as required by the Board's Procurement Policy, the Plant may acquire repairs parts for Volute technology from Process Wastewater Technologies LLC, without soliciting bids or quotes, provided that the cost thereof is reasonable for the product offered; and be it further

RESOLVED that, this determination will remain in effect for one year from the date of adoption.

RE: PWTech Status as Sole Manufacturer and Supplier of the Volute™* Technology for the United States

To Whom it may concern,

This is to confirm that Process Wastewater Technologies, LLC (PWTech) of Rosedale, MD is the sole manufacturer and supplier in the United States for the Volute* technology as proposed for Binghampton/Johnson City Joint Wastewater Treatment Facility.

PWTech operates as a distributor for AMCON Inc. of Yokohama, Japan who are the original developers, patent, and Trademark holders for the Volute* technology under an exclusive distributorship agreement.

Additionally, J. Andrew Lange, Inc. (JA LANGE) is the sole representative and distributor for PWTech in the state of New York.

Should you have any questions, please do not hesitate to contact me at 401-601-0523, or chubbard@pwtech.us.

Regards,

Chris Hubbard

Chris Hubbard
Vice President
Process Wastewater Technologies, LLC

*Volute is registered with the U.S. Patent and Trademark Office as a registered trademark of AMCON, Inc., Yokohama, Japan
